

# Let's Investigate... Dinosaurs!

**Duration: ~45 minutes; Session size: ~30 pupils.**

## Session summary:

- Pupils begin with an introduction to Roary the Allosaurus. We discuss what we can learn from such an impressive fossil.
- Pupils are led around the museum as we discuss the different types of fossils, how fossils form and how there is more to ancient animals than just dinosaurs.
- Pupils get hands on experience with real fossil specimens.
