The Vale Village map

The Vale Village is one of our three accommodation villages. Set in a beautiful lakeside parkland, it is home to nearly 3,500 undergraduate and postgraduate students and provides a wide range of accommodation to suit all needs and budgets.

Explore this green and spacious village at your leisure and if you have any questions, ask our student ambassadors along the route.

Your accommodation, guaranteed

We know how important it is to find your perfect home, especially in your first year at university. That's why we guarantee you a room in our accommodation if you've accepted us as your firm choice on UCAS. All university-owned accommodation is within walking distance of our campus, with the furthest away being around a 25-minute walk.

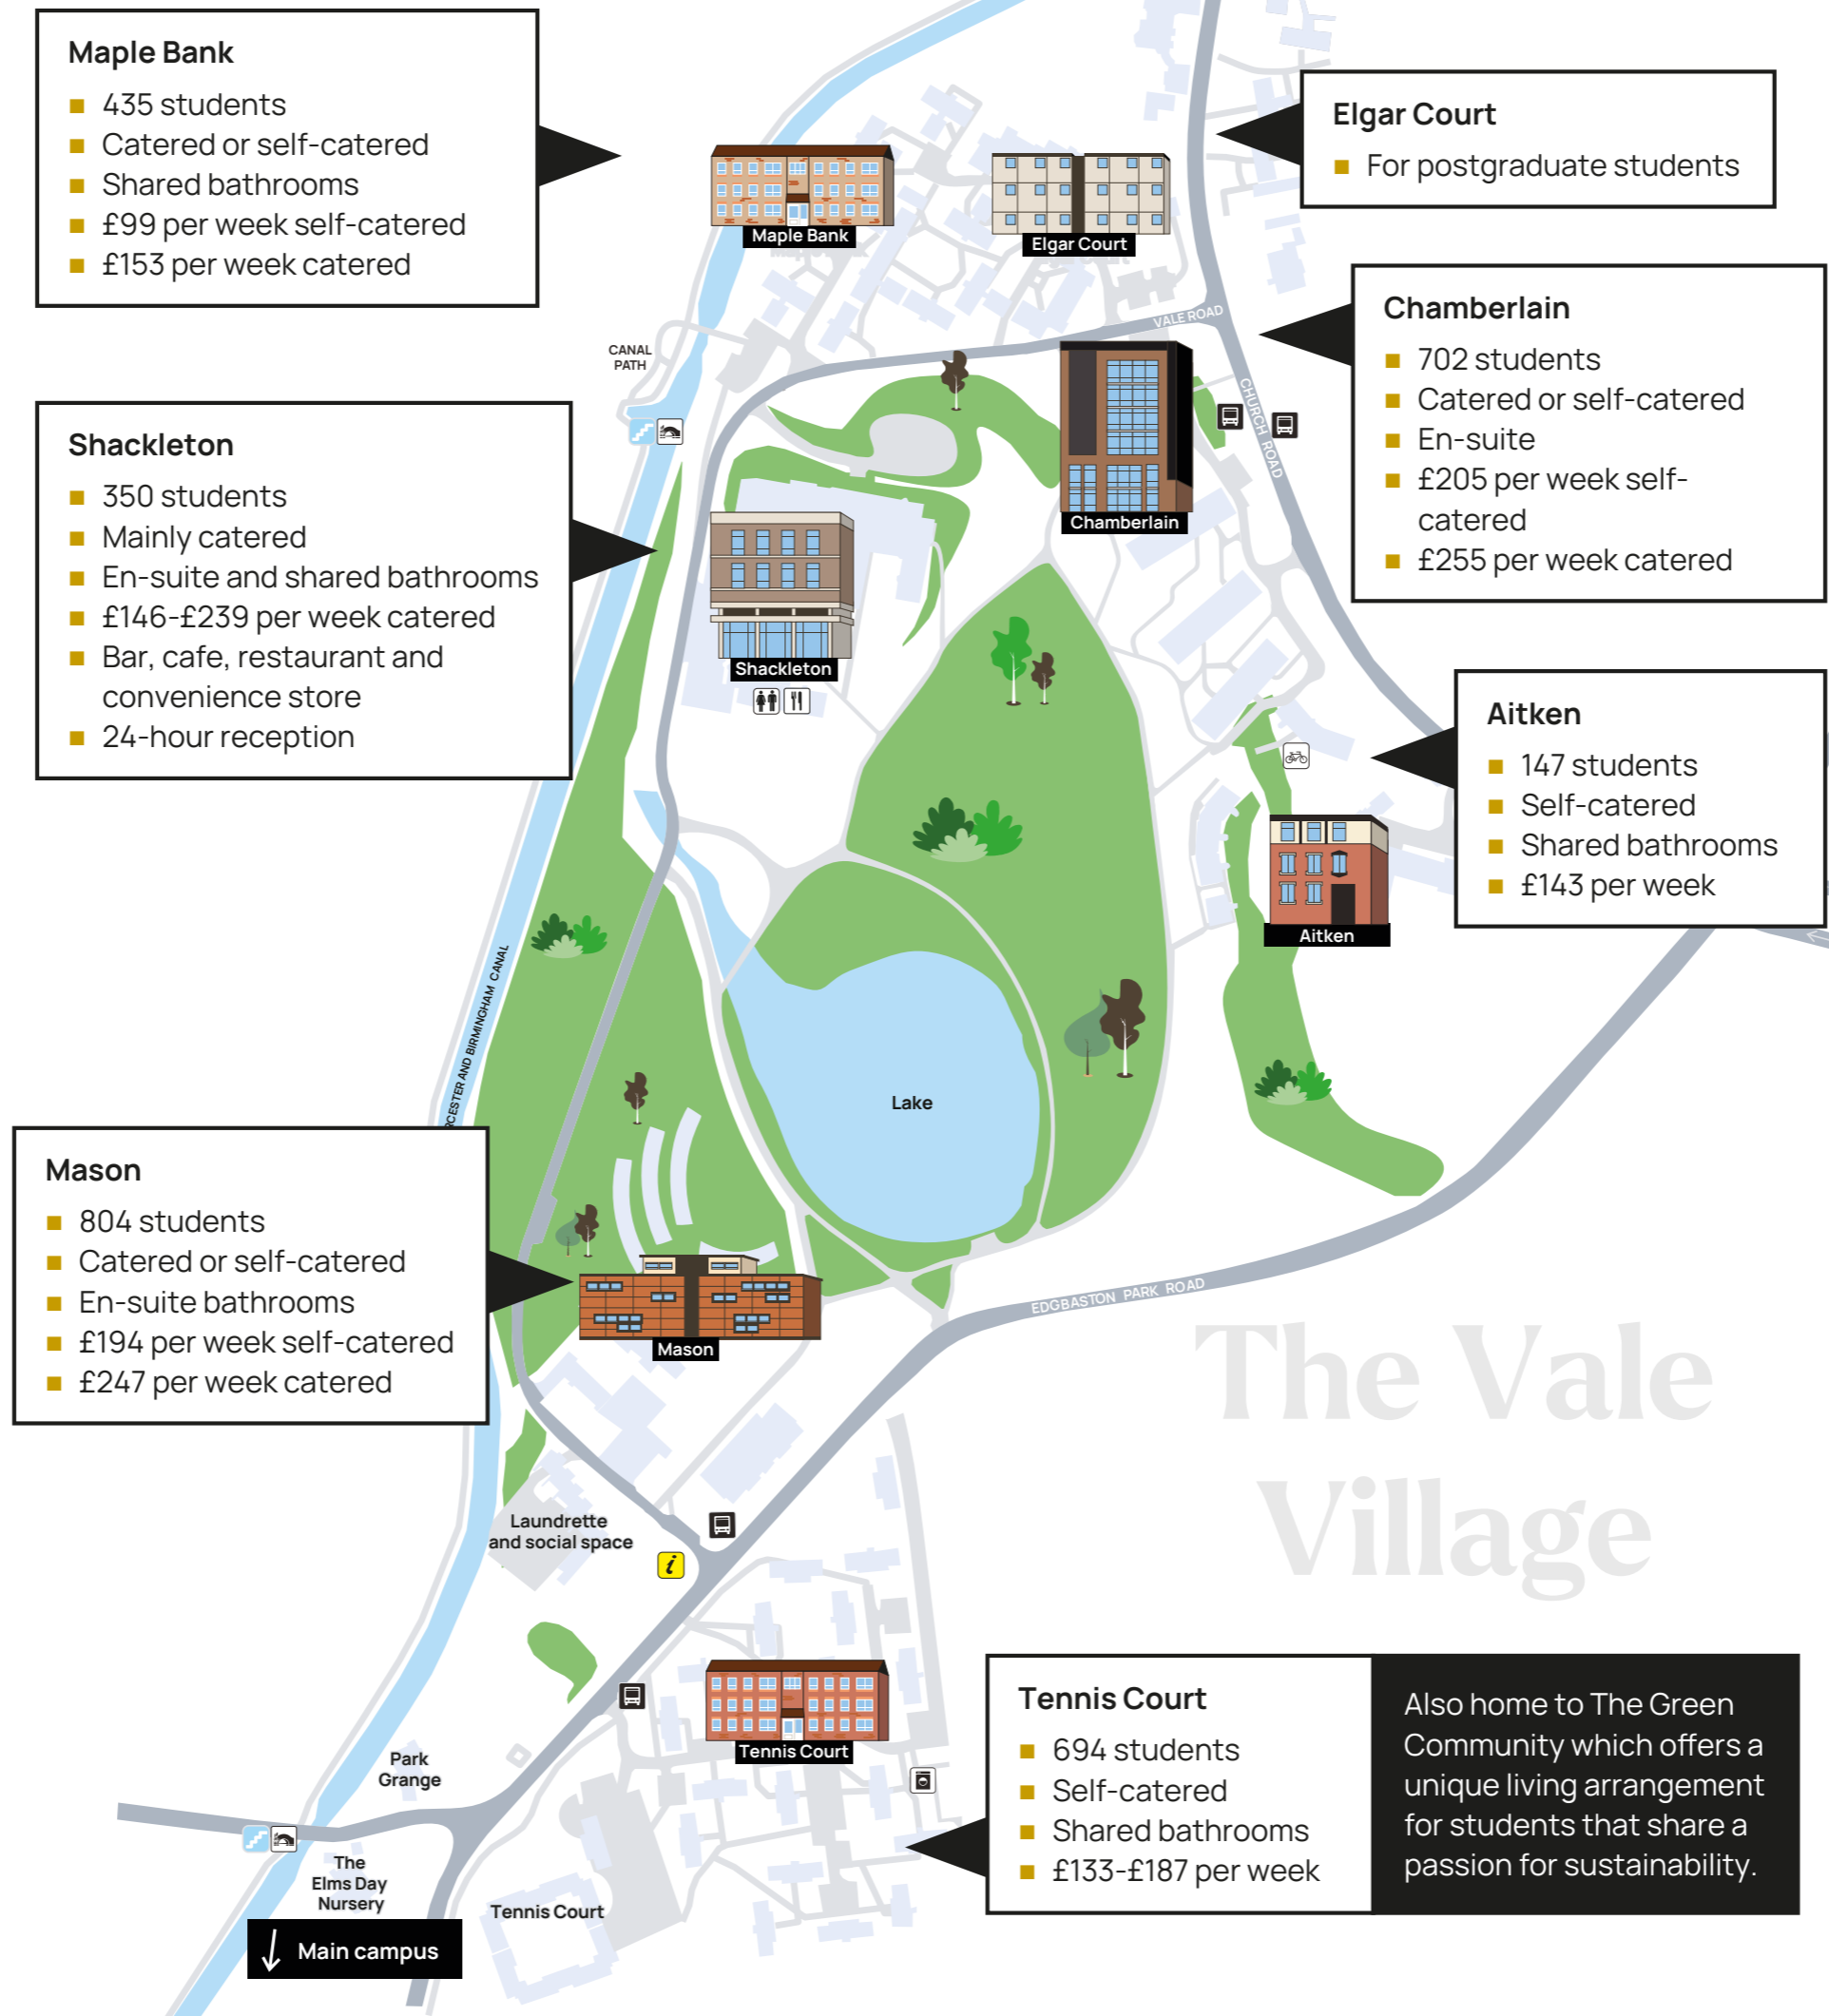

To secure your place in the guarantee scheme, register on the accommodation portal by 30 June if you're a UK/Ireland student, or by 31 July if you're an international student, and we'll take care of the rest.
