

Make a reminder of this special place with your own Old Joe

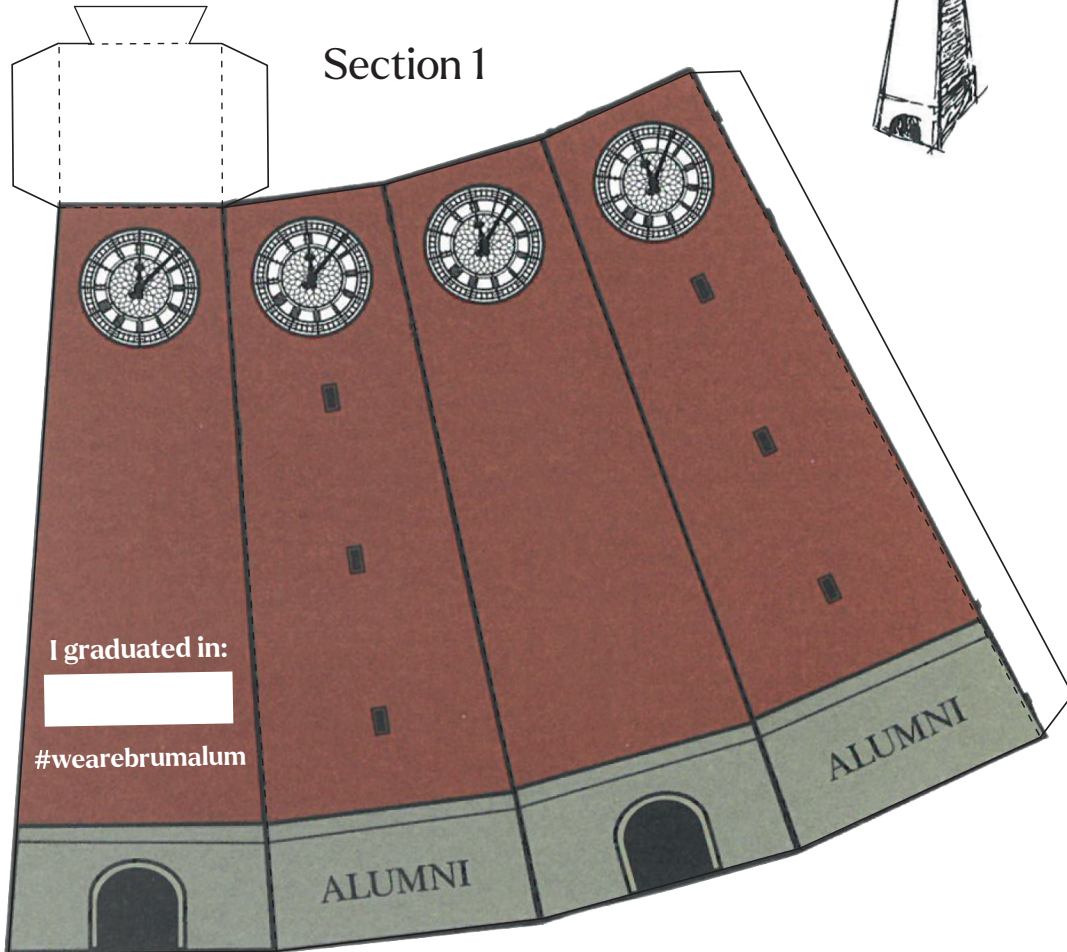

Here's what to do

Carefully cut along the outline of all sections.

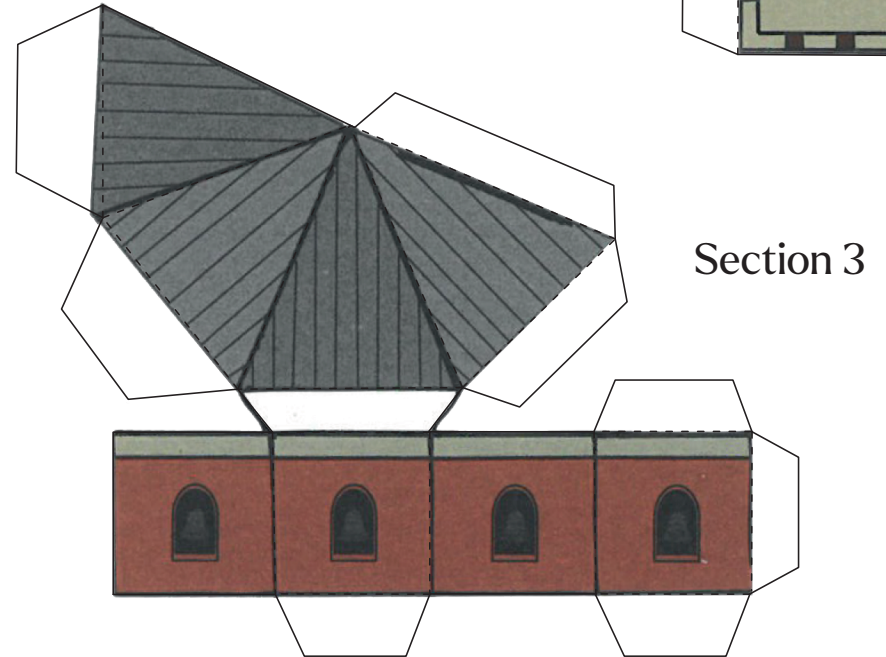

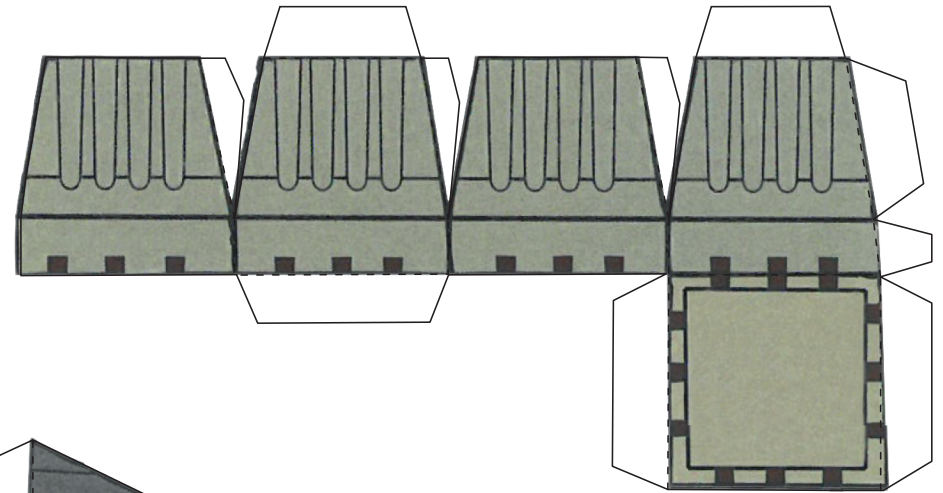

Then score and fold tabs and internal folds marked with a -----
Glue and attach section by section to match the illustration.

Add your graduation year and email a photo of your built model to giving@contacts.bham.ac.uk

We would love to share your Old Joe model pictures in our next alumni newsletter.

Section 2

Remember the superstition that if you walked under Old Joe when he was chiming you'd fail your degree? And how good it felt to stand under the clock tower on graduation day? Your gift could make that possible for another student.
