

BactiVac Catalyst Training Awards

Catalyst funding is available to support training opportunities and exchanges, prioritising those involving LMIC members and academic/industrial partners, for the transfer of knowledge and skills in bacterial vaccinology.

What is the scope?

- Typically up to £6k for visits of up to 3 months' duration
- Preference will be given to applications that:
 - ✓ Offer opportunities for members based in LMICs to undertake bilateral laboratory & other exchanges
 - ✓ Address key skills gaps within an LMIC, academic or industrial partners' institution

How do I apply?

- OPEN CALL, you can apply at anytime
- Network membership is a prerequisite
